Please check your account statement, as objections must be asserted/raised immediately. Please note that the account balance stated does not take into account the value date of the individual bookings or transactions, i.e. the amount stated does not necessarily correspond to the account balance relevant for the interest calculation. A periodic balance statement is deemed to have been approved if you do not raise any objections within 6 weeks. To meet the deadline, simply submit an objection via our customer service (chat). All chats are subject to independent review by the Internal Audit department. In connection with the underlying contracts, this account statement is deemed to be an invoice within the meaning of the German VAT Act (UStG) according to the account number given. The balances held with escrow banks are each protected up to €100,000 by the deposit protection scheme of the escrow bank. Shares of qualified money market funds (QMMF) are protected in the unlikely case of Trade Republic's insolvency. You can find further information on the protection of your funds at <https://support.traderepublic.com>.
